Welcome to Inner Health Care where we always give our clients the best and most caring service possible. You and your health needs are our chief concern, so if you have any questions or suggestions please don't hesitate to let us know.

HOURS

Monday thru Saturday by appointment only.

APPOINTMENTS

In consideration of other clients and to maximize your session please aim to arrive at least 5 minutes before your appointment time. For your first appointment we suggest you arrive 15 minutes earlier, as this will allow you to complete your intake forms without breaking into your session time. If you are late for an appointment the full rate will still apply and we cannot make no guarantee to make up the lost time.

CANCELLATION

We require at least a 24 hour cancellation notice, so we may fill the slot that you are releasing by your cancellation. We confirm all appointments the day beforehand but are always grateful to have as much notice as possible of any changes. If you are unable to give us at least **24 hours notice, a \$30.00 cancellation fee will apply.** **Excessive missed appointments without notification may result in discharge from our care.**

REFUNDS

No refunds. Once you have signed up for a series of services, you have made a commitment to yourself. Services must be rendered within 60 days.
